Hope Redeker, Catawissa 636-458-6440

Jim Sheehy, Stark City 417-472-3163

Bobby Wright, Marceline 660-226-5698

Note from our President:

Well here it is that time again. We have not had a real exciting fall so far. We will have to see what winter brings but we have looked at some nice lights and live nativities. I have sure been enjoying this nice weather along with dryer times. I was really getting tired of wading around in the mud.

Please remember the annual meeting February 16 2019 at Cunningham barn in Columbia, MO.

Please remember the reason for season our Lord's Birthday. Have a very Merry Christmas and Happy New Year. May God be with you throughout the Holiday season.

Also please continue to pray for all those still fighting the fight.

So in the meantime keep a tight line in the spirit of team work.

THE Meyer Family

Note from our Vice President:

Merry Christmas and Happy New Year!

Hope everyone found what they wanted from Santa under the tree! Life has been it's usual hectic self for us recently. But looking back, we have had a very blessed year with lots of pony time and plenty of blessings. We hope that 2019 will give us another great plowing season with lots of good memories with friends. We are looking forward to Sadie's baby mid- February and I am sure that she is also looking forward to being back in the herd and back to work

next spring! Please keep all the members in your prayers that are struggling with health issues. We hope to see you all at the annual meeting.

Art, Robyn, Shelby & Wyatt Holtgrewe

Note from our Secretary/Treasurer:

Attention Mule Members:

I was contacted by a teacher in Thailand (he grew up in St. Joseph and used to live in Columbia, Missouri) and is trying to find information about the history of farming/traveling with livestock here in the states. He is teaching his students about westward expansion. Some of his questions include:

1. Was food brought along for the livestock or did they forage along the journey west to California?

2. Is it more likely that they used mules, oxen, or horses for the trip?

3. How many miles could they travel in one day?

4. What were the conditions like for the people? For the livestock?

5. How would a water buffalo (the Thailand students are familiar with these) that might make the journey compare to how mules would fare on the journey?

Thank you in advance for any advice/help you can provide. His name is David Meyer and he said that he is not able to find any decent, factual information on Google over in Thailand.

Email answers to handyandy2222@gmail.com

I can't wait to see you all in February at the meeting!

Thank you,

Karen Redeker, Secretary/Treasurer MDHMA

MDHMA Mtg Minutes

November 17, 2018

Meeting called to order by Billy Meyer at 10:05 AM with 15 members present.

The meeting minutes from the previous meeting were read. Motion to accept was made by Terri DeVasher and seconded by Mila Cunningham. Minutes approved.

Treasurer's Report showed an ending balance of \$1,871.98. Since the last treasurer's report, we paid our annual Insurance premium, biannual listing with the Secretary of State, postage, banking account and printing fees. In addition, we collected dues from some of our members that renewed. Motion to accept was made by Hope Redeker and seconded by Genny Wright. Report approved.

Old Business:

Scott Moorehouse's plowing went well, per Neal DeVasher's report.

Neal DeVasher gave a Director's Report about the World Percheron Congress. He thought it was a great experience with only minor issues over the week.

Bobby Wright wanted to thank all those that helped him during the World Percheron Congress.

Jim Sheehy announced that the Belgian Congress will be in Canada in 2020.

New Business:

Our Next Meeting will be: **Saturday, February 16, 2019 at Mila Cunningham's barn.**

Neal volunteered Dusty or himself to cook the meat for the meeting.

Please bring a side dish to share at the meeting.

The Vice President's office will be up for nomination/re-election this year. Nominations are welcome and encouraged.

The Linch Pin Award was decided upon...and the winner will be announced at the meeting

Please bring a donation item to the meeting and send a "sneak peek" picture to us to post on the MDHMA Facebook page for members to preview.

T-Shirts and Hats are \$10 each, while supplies last.

Jim Sheehy made a motion to adjourn the meeting.

Bobby Wright seconded. Meeting was adjourned at 10:50 AM.

Hello from your Youth Representatives:

Hello from your youth representative Shelby:)

I hope everyone has been having a good winter. I've been somewhat busy mostly with school and chores. I was able to attend National FFA Convention in October, and was able to look into some colleges and hang out with friends. I also had the opportunity to go to districts and while I didn't place, I did learn what I can improve on for my next speech. (My topic was equine growth in Missouri). Towards the middle of November, I got my chapter degree at our chapter banquet. :) We had a good Christmas with the family this year. We shot guns, ate dinner, and then had a wagon ride. After Thanksgiving, we got a new puppy, Tiny, so that bubba will have a friend to play with. We were able to get Sadie moved into the barn stall and Norman, my calf, got kicked out into the stall behind the hay. However, Sadie doesn't do so well in a stall all day, so we got the front pasture set up to turn her out during the day with Bell and Norman. I hope that everyone is able to have a good Christmas with good company. :)

Your Youth Representative,
Shelby Holtgrewe

February 16, 2019 10:00 am

at Cunningham Barn, Columbia, MO.

Everyone Welcome!

Directions: www.missouridrafthorse.com

Greetings from Bobby & Genny Wright:

Here it is less than 2 days before Newsletter deadline. It's been a busy day, but tomorrow will be also, so I'd better get this done.

We finally got rested up from our week in Des Moines. Bobby and Mike were all ready to go to Dave Eichmann's Plowing, but the weather just didn't cooperate. We decided not to go to Lawrence to the Old-Fashioned Christmas Parade because all the forecasters were calling for rain. Lee and Kirsten and their 3 little girls went and participated, but they did say it was quite wet! Hopefully, next year will be nicer.

We got the sad news that Bill Petty passed away. He had been living at the Veteran's Home in Cameron for quite some time. We did go visit a few times, but now wish we had gone more often. We went to the funeral in Braymer and got to see Jack & Virginia Hollon and Jerry Drew. Bill was in his overalls and they had his jungle helmet on display. I don't think I ever saw him without it when he was still active.

I don't know much else. We are getting ready for the Bocke Christmas at our house. I am so thankful I know a young woman who is willing to do all the cooking and even bring it to our house. It helps her out and makes my day so much more enjoyable!

Bobby and I wish everyone a joyous Christmas and a very happy 2019!

Hope to see everybody in February at the Annual Meeting! We have a granddaughter coming home sometime that month from Georgia. We hope it will be an early week!

May God bless us everyone!

Bobby & Genny Wright

Bristle Ridge Percheron

As we come to a close in 2018, we have celebrated both greatness & sadness in the passing of our friends & family. Always remember they are always in our hearts with everything we have shared but never forgotten. Our memories live on to make us all stronger.

It's a "Great life Charlie Brown" as most of us do not like the cold, wet & windy weather, we know that it nourishes & hydrates the ground, fills the ponds for our livestock & conditions the ground for our plowing events.

Our friends on the East coast however think the conditioning should stop now. They are definitely out of the drought. Gary Kisamore said over 70" of rain so far this year. Mother nature is a little extreme. She could have moved it to the West coast & put out those devastating fires.

Lastly - Terri & I wish to thank you ALL for the calls, cards, prayers, words of wisdom, gentle hugs

& zaps. If you see an orange glow in the sky, you know the radiation is working it's magic.

This past year has come & almost to an end with not much plowing under my belt but hoping my shoulder will get to healing soon. I have a lot to do around here. I get a lot done in my sleep & when I wake up my shoulder hurts like the dickens but when I look out or go to feed, reality sets in. Guess that's what they mean by don't take your problems to bed!

In 2019, we will not only ring in the New Year with open arms but hope it brings with it safe travels to each & everyone.

Our goal is to see your smiling faces along the trail, furrows or sales.

I'm blessed to have each of you in our MDHMA family & hope to see you February 16, 2019 for the Annual Meeting.

Bristle Ridge Percherons
Neal & Terri DeVasher

Greetings from Illinois BC's Belgians:

After spending an exciting time at the World Percheron Congress we headed for Kalona, Iowa for the horse sale. As always, they had a large amount of plunder to sell as well as a lot of tack and harness. The horse sale went very well as colts are still bringing good money.

When arriving home, I had tons of laundry to do and spent several hours getting it done. Haircuts and a lawyer appointment as well as more laundry took up most of Wednesday. Thursday, we readied ourselves for a trip to Arthur as the Amish Heritage Center was having a fall gathering and we were invited to come and plow. Left early Friday am to head for Arthur and to plow, the weather was a little chilly and overcast and the spectators were rather slim. That evening they had a wiener roast and a wonderful bonfire that helped keep us all warm. Hayrides were

given with plenty of riders. Saturday the sun came out but so did the wind. It made plowing a little difficult but all went well and they had a large crowd of spectators. They shucked, shelled and ground corn, made apple butter and cider as well as games for the kids. All of the field events were with horses and antique equipment. On November 1st our youngest son and family moved in as they wait for their new house. Things are rather busy with two active children, three cats and a dog but we all are managing.

On November 29th we headed to the Belgian Association's annual meeting which was held in Berlin Ohio, in the heart of Amish country. On Friday at 8 am, we took a tour of area farms where some of the best Belgian horses are raised. We saw everything from show horses to pulling breed horses. Also, we visited spectacular barns with stalls that were huge. That evening was the dinner and meeting at which time they honored many of the members as well as the youth that participate in the youth classes at state fairs. Keith Woodbury was inducted into the Belgian Hall of Fame, his life history of raising Belgian draft horses was shared. Many accolades were bestowed upon him for his skill as a trainer and breeder of horses.

On Saturday, we toured the countryside and visited many towns, the weather was rather gloomy but we enjoyed seeing so many beautiful homes and quaint towns. This included a little shopping at Lehmann's and several other shops. Up early Sunday morning to meet Jack and Dianna Phillips' granddaughter Morgan for breakfast. We had a wonderful visit with her before heading for IL.

Please remember our deployed soldiers this holiday season as they are away from family and friends. Hope all had a wonderful holiday.

Bill and Celia Edwards. BC's Belgians.

From Witness Tree Land & Livestock---

Where, oh where did this year go? Hard to believe we are at the end of it already, and still no visit from Publisher's Clearing House, sigh..... Hope springs eternal, does it not?

We are well on the way to having a record mud crop, but prices just aren't what they should be, so I guess we'll stockpile it and wait for demand to go up. No, I haven't been into the Wassail yet, but give me a little more time and a flimsy excuse, and I'm there.

Just found out that my favorite hardware store is closing down, and I am really bumming. Honold Hardware in Beaufort has been around since 1917, and is one of the last of the truly old time "has everything" places. And I mean everything. Parts for antique and vintage tools, equipment, household, farm, just a real treasure trove of things you can't find anywhere else, as well as some of the more "modern" items of other hardware stores. This place oozes character and I love it dearly, so I am really hoping someone will buy it who sees it for the irreplaceable gem that it is, and keeps it intact, right down to the old screen door through which you enter.

We lost our spotted draft mule Tommy on Dec. 1st, and it was a real blow, as it was totally unexpected. Aside from slowing down just a bit, he was happy, healthy, and as steady as a rock. I found him in the pasture early that morning, and it looked like he just laid down and went to sleep. He was 26, a total sweetheart, broke to ride English and Western, and broke to drive. We also used him to power the sorghum press during the event some years. It sure is quiet around here now without his reliable morning "song" of greeting. Really miss him.

If you've been able to read this far without scratching your head, it means that I have caught all the mistakes in this article before it went to Mila. The keyboard on my laptop has decided to make several letters and numbers, as

well as the hyphen sign and parentheses, inoperable, so I have a second keyboard plugged into the USB drive, and lucky me, there are several letters, numbers, etc. on it that are ALSO not working, but between the two, I am able to piece together the exhilarating content you are now enjoying! That is also why my newsletter contribution is going to be a little on the short side this time.

Looking forward, as always, to the upcoming annual meeting and seeing & visiting with everyone.

And now on that note, and before something else starts falling apart, we would like to wish you and your families the most blessed of holidays and the best life has to offer in the New Year. From our barn to yours, peace and joy!

Gail and Dennis

Dolly takes the furrow while Rita walks the ridge taking Rod Malchow to 1st place in the Sulky Plowing event at the 2018 World Percheron Congress.

Won by Rod Malchow!

Sponsored by MDHMA.

HAPPY BIRTHDAY WISHES !!!!!

To our teamsters & families who have/had a birthday in December & January we hope your day is truly a special one to remember.

MDHMA has a large selection of assorted color & size T-shirts for sale. Contact Robyn Holtgrewe for inquiries or orders.

REMEMBER If you have items for sale or looking for an item we post for free.

If you wish to share something in the newsletter please feel free to email to milamari55@mac.com, or teresadevasher@yahoo.com

On The Mend... To All of Our Members & families who have been on our prayer list, "Keep Up the Good Work". We tighten our lines for our members & families who need extra prayers in the healing process.

From Our Kitchen to Yours:

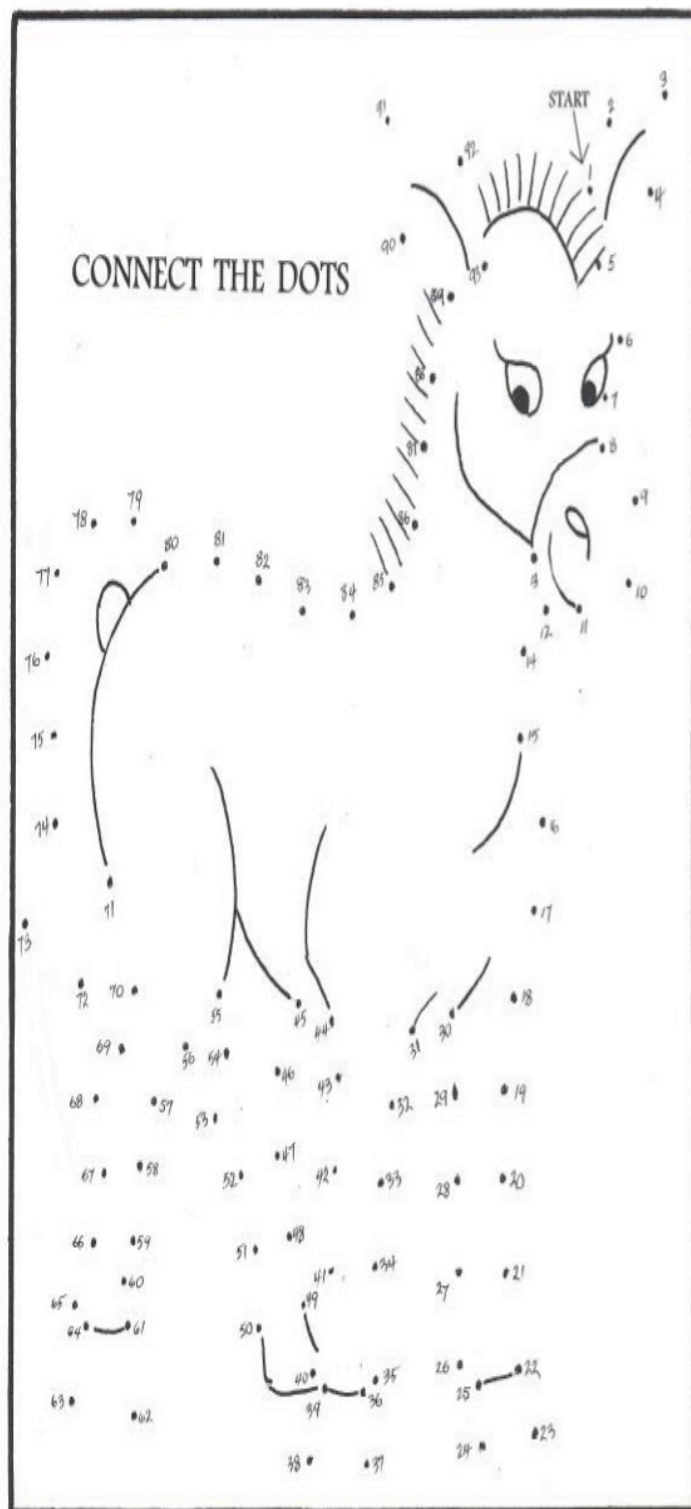

Butterfinger Bars

1/2 cup dark corn syrup
2/3 cup butter, melted
1 cup brown sugar
1 tsp vanilla
1/4 tsp salt
4 cups oats
1/2 cup peanut butter
6 oz chocolate chips

Lightly grease a 9" X 12" pan. Mix all ingredients, except peanut butter & chocolate chips. Pour mixture into the pan, a bake for 15 minutes. Allow time to cool, & carefully cut into 3" X 1" bars.

Melt peanut butter & chocolate chips together on low heat, stirring frequently. Spread onto cooled bars.

Makes 4 dozen
